Introduction

About this book:

This unit contains 26 upper case and 26 lower case Clip It! cards.

Directions for use:

Print the instructions and label cards on page 4, laminate for durability and then cut in half to separate the instructions from the label. Tape the label to the front of a zip-lock bag and place the instructions inside, or tape it to the back side.

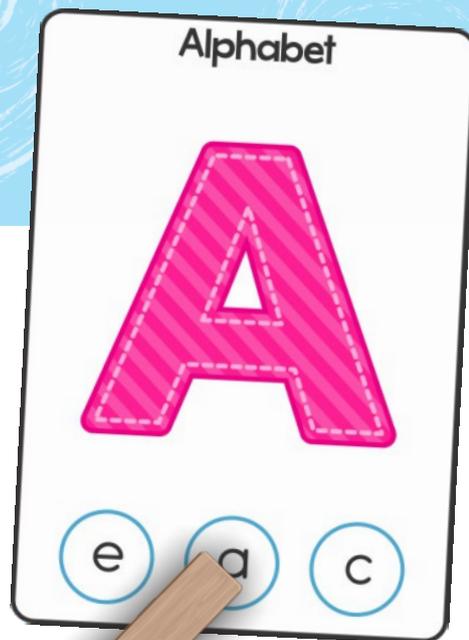

To prepare this unit for use, print the coloured cards, laminate them for durability and cut along the dashed lines to separate them. Store the cards in a zip-lock bag with enough household pegs to clip to each card.

The aim of this activity is for children to match the letter on each card to the corresponding lower or upper case letter from the circles provided. Children clip a peg to a circle to show their answer.

Happy Teaching :)

Alphabet

I can

- 1 Say the letter name and sound on the card.
- 2 Identify the matching case.
- 3 Clip a peg on a circle to show my answer.
